

Layer Mash

For rich coloured yolks

A complete ration comprising the finest quality crushed, steamed and cracked cereal grains. Correctly balanced energy and amino acids, vitamins, major and trace minerals. Ingredients are carefully selected for high digestibility, crushed and processed grain to maximize digestive potential. High feed utilization, lack of separation and wastage, good rich coloured yolks and glossy strong feathers. The ration is designed to allow both young and mature birds a chance to flourish on a mix designed for all fowl, including peacocks, ducks, geese, guinea fowl, bantams and chickens. A high quality respected ration but best of all affordable.
