Ingredients:

Wheat, Barley, Soybean meal, Meat meal, Limestone, DL Methionine, Lysine, Threonine, Salt and a Pig Vitamin and Mineral Premix.

Note: Product is not medicated, although can be upon request.

Feeding:

Feed unrestricted, change to a finisher feed at 65kg liveweight.

Note: Make sure water is always freely available.

This product contains restricted animal material—DO NOT FEED TO CATTLE, SHEEP, GOATS, DEER OR OTHER RUMINANTS. Should only be fed to Pigs and other Omnivores.

This product is suitable for pigs only. The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the pig will give different results. Please use the feeding table as a guide only and ensure feeding guide is introduced gradually, as unobserved diet changes can be detrimental to the final results and/or the animals health.
