

SHOW & SALE SHEEP MEAL

Why choose to feed Show & Sale Sheep Meal?

A complete feed designed to achieve maximum results for the Show and Sale ring. Containing a full profile of minerals and nutrients for ewes and rams. Designed to promote growth, skeletal and muscular development. We recommend you feed a little often up to four months prior to show or sale for the best results.

This product is suitable for sheep only. The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of sheep will give different results. Please use the feeding table as a guide only and ensure feeding guide is introduced gradually, as unobserved diet changes can be detrimental to the final results and/or the animals health.
