

# Balanced Performance Feed

✓ **Premium Australian High Energy Grains**

Workhorse Komplete contains premium Quality Australian Grains including Oats and Barley, two grain based energy sources enabling sustained release of energy for training, recovery and performance.

Barley supports extended activities by releasing energy over a longer period of time whilst providing adequate body fat conditioning.

✓ **Muscle Development**

High quality protein from Soyabean Meal ensuring high levels of digestible protein and amino acids supporting optimal muscle recovery, development and growth.

✓ **Cool Energy**

Canola Oil provides cool energy, sustained energy released for extended exercise and training activities, aids coats condition whilst supplying a favourable Omega 3 to Omega 6 ratio.

✓ **Immune**

Fortified with essential vitamins and minerals to ensure the optimal health and immune support of your horse.

✓ **Stress**

Workhorse Komplete contains Choline to support peak liver function particularly during times of stress.

**Feeding Guide**

Furneys Workhorse Komplete should be introduced to your horses diet gradually over a 2-3 week period.

Feed in conjunction with good quality hay or pasture. Ensure clean water is accessible at all times.

Feed intake may vary depending on environment, age, breed and work intensity.

Adjust Furneys Workhorse Komplete to meet your desired body condition score. As a guide your horse must receive 1% of its bodyweight in roughage e.g. 500kg to receive minimum 5.0kg roughage per day.

Contact Furneys Stockfeeds for further nutritional advice.
