AVAILABLE IN 30KG BAGS, BULKA BAGS AND BULK

FURNEYS CALF REARER PELLETS 18% ARE A PALLATABLE & NUTRITONALLY BALANCED FEED FOR CALVES FROM 10 WEEKS TO 6 MONTHS OLD.

-  **High Quality Protein For Improved Growth Rate**  
Containing premium and high quality proteins including vegetable proteins, soyabean meal, canola meal, sunflower meal or cottonseed meal.
-  **Balanced Vitamins and Minerals**  
Fortified with essential vitamins to improve meat quality and health, and a mineral premix to benefit long term feeding.
-  **Rumen Buffers Included To Help Reduce The Risk Of Acidosis**
-  **Palatable Feed & Nutritionally Balanced**  
A palatable feed formulated to provide muscle development and a balanced diet for calves to weaning.
-  **Contains Rumensin 100**  
Rumensin 100 will improve the growth rate as well as you feed conversion efficiency.
-  **This Product Contains No Urea**

 **Feeding Guide**  
For beef and dairy calves from 10 weeks to 6 months old.  
This feed can be fed in conjunction with milk but must be fed with roughage in the form of hay or pasture. We recommend using self-feeders for best results.

**WARNING**

This product is suitable for cattle only and not recommended for other animals. The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the animal will give different results. Please use the feeding table as a guide only and ensure feeding is introduced gradually to all animals, as unobserved diet changes can be detrimental to final results or the animals health. This product does not contain restricted animal material. This product contains Monensin at 50 mg/kg. This product contains Rumensin to aid the prevention of coccidiosis. Always ensure clean drinking water is available.
