ZINC	2500 mg/kg
COPPER	625 mg/kg
COBALT	6.33 mg/kg
IODINE	3.33 mg/kg
IRON	750 mg/kg

Furneys Horse Block is designed specifically for horses and ponies to deliver essential minerals, vitamins and proteins to stabled and paddocked horses. Furneys horse block is formulated to help account for pasture deficiencies. A great source of high quality proteins and added amino acids required for growth, strong bone and teeth formation, strength, appetite, red cell formation, pregnancy and lactation in horses.

## FEEDING GUIDE

Furneys Horse Blocks should be left in the paddock in a corner or under a tree (out of the way). Expected intake: 500kg - 200/ head/day. This is a typical intake; pasture quality, animal mineral status and condition will influence the level of intake. Do NOT feed to sheep. Only to horses.

## INGREDIENTS

Salt (NaCl), Calcium Carbonate, Di Calcium Phosphate, Zinc Oxide, Copper Carbonate, Cobalt Carbonate, Magnesium Oxide, Manganese Oxide, Ferrous Sulphate, Calcium Iodate, Sodium Selenate, Cereal Grains, Lupins and Molasses

## FEEDING TABLE

ANIMAL TYPE	NUMBER OF HORSES	NUMBER OF DAYS
HORSES	2	150

## WARNING

This product is suitable for horses only and is not recommended for other animals. The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the animal will give different results. Please use the feeding table as a guide only and ensure feeding is introduced gradually to all animals, as unobserved diet changes can be detrimental to final results or the animals health. This product does NOT contain Urea. This product does not contain restricted animal material. Always ensure clean drinking water is available.
