

# WORKHORSE COMPLETE

AVAILABLE IN 25KG BAGS

FURNEYS WORKHORSE COMPLETE IS A BALANCED PERFORMANCE FEED.

- Premium Australian High Energy Grains**  
Workhorse Complete contains premium Quality Australian Grains including Oats and Barley, two grain based energy sources enabling sustained release of energy for training, recovery and performance. Barley supports extended activities by releasing energy over a longer period of time whilst providing adequate body fat conditioning.
- Cool Energy**  
Canola Oil provides cool energy, sustained energy released for extended exercise & training activities, aids coats condition whilst supplying a favourable Omega 3 to Omega 6 ratio.
- Muscle Development**  
High quality protein from Soyabean Meal ensuring high levels of digestible protein and amino acids supporting optimal muscle recovery, development and growth.
- Immune & Stress**  
Fortified with essential vitamins and minerals to ensure the optimal health & immune support of your horse. Workhorse Complete contains Choline to support peak liver function particularly during times of stress.

**Feeding Guide**  
Furneys Workhorse Complete should be introduced to your horses diet gradually over a 2-3 week period. Feed intake may vary depending on environment, age, breed and work intensity. Adjust Furneys Workhorse Complete to meet your desired body condition score. Feed in conjunction with good quality hay or pasture. As a guide your horse must receive 1% of its bodyweight in roughage e.g. 500kg to receive a minimum of 5kg roughage per day.
