

# PIG GROWER PELLETS

AVAILABLE IN 20KG BAGS, BULKA BAGS AND BULK

FURNEYS PIG GROWER PELLETS IS A COMPLETE FEED FOR GROWING AND HOUSED PIGS FROM 6 WEEKS OF AGE. IT IS A NUTRITIONALLY BALANCED FEED FORMULATED WITH ESSENTIAL NUTRIENTS TO ENSURE STRONG, HEALTHY AND GROWING PIGS.

-  **Nutritionally Balanced Feed**  
Furneys Pig Grower Pellets are a whole feed supplying essential nutrients and proteins for growth. It is not a high spec commercial feed.
-  **Essential Vitamins & Minerals**  
Furneys Pig Grower Pellets contain Vitamin A, D3, E & K and a mineral premix.
-  **Great Energy Content & Protein**  
Furneys Pig Grower Pellets are a balanced feed with essential energies and protein to get the best growth ratio out of your pigs.

-  **Feeding Guide**  
Furneys Pig Grower Pellets can be fed unrestricted to growing pigs from 6 weeks of age. Expected intake is 70 – 80kg per pig over that period of growth. Furneys Pig Grower Pellets are not medicated, although can be upon request. Ensure that clean fresh water is available at all times. Change to Furneys Finisher Pellets at 65kg liveweight.

#### WARNING

This product is suitable for pigs and other omnivores only and not recommended for other animals. The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the animal will give different results. Please use the feeding table as a guide only and ensure feeding is introduced gradually to all animals, as unobserved diet changes can be detrimental to final results or the animals health. This product contains restricted animal material. Always ensure clean drinking water is available.
